DIRECTIONS FOR USE

This product is designed only to be mixed with Talc USA's 20 lb pail of Talc or 80/20. Add five pounds or one full container of MicroSURGE cotton seed treatment to Talc USA's 20 lb pail of Talc or 80/20. Mix or shake thoroughly before use. Use application rate on 20 lb Talc pail. One 5 lb container treats approximately 5,900 pounds of cotton seed or 640 acres. For more detailed mixing and usage instructions please visit our website www.talcusa.com.

STORAGE/HANDLING

Store in a cool/dry place. This product has proven freeze/thaw technology. Open package only when ready to use. Use before expiration date.

Limited Warranty: Talc U.S.A. guarantees that this product conforms to its label description and is suitable for its intended use when used in accordance with the label directions before the expiration date. Talc U.S.A. or its representatives must be notified of any field complaint within sixty (60) days after planting. Talc U.S.A.'s sole obligation under this warranty shall be to refund the purchase price. Talc U.S.A. shall not be liable for and disclaims all consequential, incidental and contingent damages whatsoever. Without limiting the foregoing, Talc U.S.A. shall not be responsible for loss or potential loss of crop from any cause whatsoever. This limited warranty is in lieu of other warranties, expressed or implied. This limited warranty is void where prohibited by law.
